

2014年 近畿大学医学部推薦入試

本年度から1次と2次試験に変更され、会場も狭山会場から東大阪会場に変更された。さながら公募推薦という名の一般入試と言える。近畿の推薦の英語は難しいというより「今までに問題集等で見たことがない」という感想が先に出るのではないだろうか？

昨年と同様に、受験生が悩むであろう表現をピックアップしてみた。来年受験される予定の人はいくつ言えるかチェックして見て欲しい。

問題番号	【注意する語彙一覧】
I番	persuade A into B, identical, alternated, mistake A for B, disguised, go on to, graduate school, break the ice with, tense, mud, bump into, halt, null, stop short, saving time, the kettle is boiling, figures of speech, barely, an elephant in the room, knowing look, knowable, all-know,

<p>V番</p>	<p>position indicator, interactive, multiconsole, demos, object addressing, dynamic file linking, filled the patent, navigate graphics-filled computer screens, wading through screens, press up, underside, rubber trackball, horizontal and vertical, ergonomic, adopt trackballs, lasers and LEDs, premise, binary code, plot, precursor, garnered, lexicon, pervasiveness, dominance, interface, blogged, factor into a future, video game controllers with embedded accelerometers, attended, bestowed, biological maternal parent, closely related caretaker, endorse, sole, petition to defer a legal right, authoritative approval, housed in a wooden box,, sat at right angles, the plot o a display screen, dyadic system, broad acknowledgement, royal blessing, endow, gratitude,and fund money, attributes to, talks well of, speaks volumes for,</p>
<p>感想</p>	<p>I番で半分、II番は難しいというより表現を見たことがないという理由から正答を絞りにくいという方が正解だろう。III番はDの問題が難しい。IV番も見ることがない単語に焦るだろうと思う。V番は内容的には理解できるが時間配分にも気をつけたい。結論として近畿の推薦入試は英語以外の科目で点を取り、英語は防御に徹するべきだと思う。普段、親しみのない語彙に難しさを感じるというのが正直な感想だと思う。</p>
